

<b>Start!</b>	What are you going to do after the lesson?	Where do you think you will live in 10 years?	What pet will you have when you are 50/70?	What are your plans for the weekends?
	<i>I am going to...</i>		<i>I think I will...</i>	How are you going to celebrate your next birthday?
What are you going to do tomorrow?	Where do you think you will work when you are 35/70?	What do you think you will get as a birthday present next year?	What will your life be like when you are 35/70?	What are you going to do next Friday?
What are you going to buy next week?	<i>I hope I will...</i>		<i>Maybe I will...</i>	
How do you think your life will change next year?	What are you going to eat tonight?	What languages are you going to learn?	What do you think you will like when you are 35/70?	What present do you think you will get when you are 50/70?
<i>I hope I won't...</i>		<i>I am not going to...</i>		What film are you going to watch?
How do you think our world will be different in 20 years?	What technology do you think we will use in 10 years?	Do you think people will be able to talk to animals in the near future?	Do you think humans will meet aliens in the near future?	What country are you going to visit one day?
Where are you going to go next summer?		<i>I am sure I will...</i>		
What do you think you will dislike when you are 35/70?	Do you think robots will replace humans?	What do you think schools will be like in 10 years?	Do you think computers will be able to think?	<b>Finish!</b>
